Insect-a-clear Vanquish

The Vanquish is a slim line, discreet yet very efficient glue board fly killer. It is fitted with 2, 36 watt high attraction energy saving lamps and a fully electronic lighting gear which ensures low power consumption and does not require starters. By combining the above features with a super size glue board of over 1,240 sq cm (complete with monitoring squares), the VANQUISH is a truly effective fly control unit, protecting up to 360 sq meters, size of 410x475x70 mm. Its anodized aluminum and steel construction means that it not only looks good but also offers excellent corrosion resistance.

The following features are incorporated on the Insect-a-clear VANQUISH

- Stylish contemporary fly killer design.
- Discreet glue-board for trapping and retaining flying insects.
- Super sized, easy to fit, glue board with monitoring squares
- Fully electronic lighting gear – ensures low power consumption.
- Suitable for wall mounting.
- Anodized aluminum & steel construction for excellent corrosion resistance and attractive looks.
- Attracts flying insects within an area up to 360 sq meters.
- 2, 36 watt high attraction energy saver lamps – no separate starters required.
- Designed and manufactured in the UK.

CE approved and formally tested to BSEN 60598-1:2004 Removable front door for easy installation or cleaning.
